

# SAS WILL FLY TO OVER 40 COUNTRIES IN THE SUMMER OF 2024

**SAS is getting ready for the summer season and will fly to over 130 destinations in more than 40 countries.**

SAS customers can look forward to nine new European destinations this summer. From Copenhagen there will be direct flights to Ibiza, Salzburg, Genoa, Tromsø and the Dalaman/Turquoise coast in Turkey. From Bergen SAS will start flights to London and from Oslo to Geneva, Milan and Tivat at the coast of Montenegro.

*“In addition to seamless connectivity to major cities and capitals, our summer traffic program offers new holiday destinations like Ibiza, Genoa, and Tivat. For those seeking familiar favorites, we’ve boosted capacity to destinations such as Malaga, Florence, Palma, and Alicante. Our passengers can discover a multitude of inspiring options with SAS as they plan their upcoming summer adventures. We look forward to a busy summer and to welcoming our passengers on board”,* says Erik Westman, Chief Revenue Officer at SAS.

## South European favorites

SAS is adding flights to long-time favorites in Spain and Italy from all three Scandinavian capitals. From Stockholm and Copenhagen there will be up to 20 weekly flights to Malaga and from Oslo up to 17 flights to Alicante. Milan will enjoy four daily services from Copenhagen, there will be daily flights to Florence from Copenhagen and up to 25 weekly flights to Nice.

Oslo will have 14 weekly departures to Split, and it will be possible to fly with SAS from Stockholm twice a day to Milan and Paris during peak summer. Oslo and Copenhagen also have year-round operations to another Scandinavian favorite, Gran Canaria.

## North Europe

From Copenhagen there will be five daily frequencies to Düsseldorf, four daily flights to Brussels and Gdansk and three daily flights to Warsaw and Vilnius. SAS will fly from Stockholm to Tallin up to six times per day and to Vilnius three times a day. Additionally, Stockholm will increase to two daily flights to Berlin, up to six daily flights to Helsinki, and increased frequencies to both Turku and Vaasa.

## Domestic and Nordics

SAS has continuous focus on domestic routes and is increasing the numbers of departures between Stockholm and Visby, Kiruna, Skellefteå, and Östersund. Furthermore, there will be up to seven daily flights from Copenhagen to Bergen during peak summer, while Oslo will feature up to two daily flights to Aalborg and four weekly flights to Billund, and increased frequencies to Northern Norway.

*SAS, Scandinavia's leading airline, with main hubs in Copenhagen, Oslo and Stockholm, flies to destinations in Europe, USA and Asia. Spurred by a Scandinavian heritage and sustainability values, SAS aims to be the driving force in sustainable aviation and in the transition toward net zero. We are continuously reducing our carbon emissions through using more sustainable aviation fuel, investing in new fuel-efficient aircraft and technology innovation together with partners – thereby contributing towards the industry target of net zero CO2 emissions by 2050. In addition to flight ns, SAS offers ground handling services, technical maintenance and air cargo services. SAS is a founding member of the Star Alliance™, and together with its partner airlines offers a wide network worldwide.*
