

# SAS AWARDED CONTRACT WITH EQUINOR

**SAS has signed a contract extension for three years with Equinor for both domestic and international travel.**

The contract with Equinor represents a significant contribution to SAS' passenger volume in Norway. SAS was chosen on the basis of an extensive network, attractive timetable, commercial terms and one of Europe's most modern fleets.

“We are delighted that Equinor once again have chosen SAS as their preferred carrier for business travel, demonstrating a continued confidence in us for the next three years.

SAS' strategic priorities to retain and further strengthen our position in the Scandinavian travel market is founded on a good cooperation with the largest companies in Norway and the longstanding collaboration with Equinor remains very important to SAS,” says Chief Commercial Officer at SAS, Paul Verhagen.

*SAS, Scandinavia's leading airline, with main hubs in Copenhagen, Oslo and Stockholm, flies to destinations in Europe, USA and Asia. Spurred by a Scandinavian heritage and sustainability values, SAS aims to be the driving force in sustainable aviation and in the transition toward net zero. We are continuously reducing our carbon emissions through using more sustainable aviation fuel, investing in new fuel-efficient aircraft and technology innovation together with partners – thereby contributing towards the industry target of net zero CO2 emissions by 2050. In addition to flight ns, SAS offers ground handling services, technical maintenance and air cargo services. SAS is a founding member of the Star Alliance™, and together with its partner airlines offers a wide network worldwide.*
